Re: Arterial detour and expressway ramp closing

Reference No: 016 94481

LETTER OF AUTHORITY

April 7, 2020

Mr. Nicholas Pullara
Hilco Redevelopment Project
111 S. Wacker Drive
Chicago, IL 60606

Dear Mr. Pullara:

This is to serve as a Letter of Authority to close Pulaski Rd during the hours of 7:45 am to 8:30 am on Saturday April 11, 2020 per the approved detour plan. This closure is subject to receiving approval from our automated lane closure system at www.idotacts.com ([Arterial Closure](#)) and www.idotlcs.com ([Expressway Ramp Closure](#)) Note: The partial exit ramp closure request must be entered by 9AM on Friday for work Saturday morning.

This work is to facilitate construction demolition near this location for the Hilco Development Partners.

A Certificate of Insurance with the Illinois Department of Transportation as an additional insured is on file.

Should traffic congestion or any unsafe practices be observed by any authorized representative of this Department or police agency, it is fully understood that the operation shall cease immediately and the pavement will be cleared as directed by that representative. The State traffic control standard to be used at these locations will be Case 701451.05 with arrow boards.

Any proposed activity in the vicinity of a highway-rail grade crossing must adhere to the guidelines set forth in the Manual on Uniform Traffic Control Devices (MU&TCD) under Section 6G.19: Work in the Vicinity of Highway-Rail Grade Crossings which states "When highway-rail grade crossing exit either within or in the vicinity of a TTC zone, lane restrictions, flagging, or other operations shall not create conditions where vehicles can be queued across the railroad tracks. If the queuing of vehicles across the tracks cannot be avoided, a uniformed law enforcement officer or flagger shall be provided at the crossing to prevent vehicles from stopping on the tracks, even if automatic warning devices are in place.

Location: Pulaski @ West Cougar St
